

How to complete your **Mná** profile

In less than 15 minutes! 😊

1. Upload your profile picture

Most people recognize a face easier than a name

1 min

1 min

5 min

1 min

1 min

5min

2. Upload a background picture

This could be something that resonates with you like a place, a monument, a logo, a flag, etc.

4. Add your location

Get yourself on the Mná Members Map

5. Choose who should see the information you add

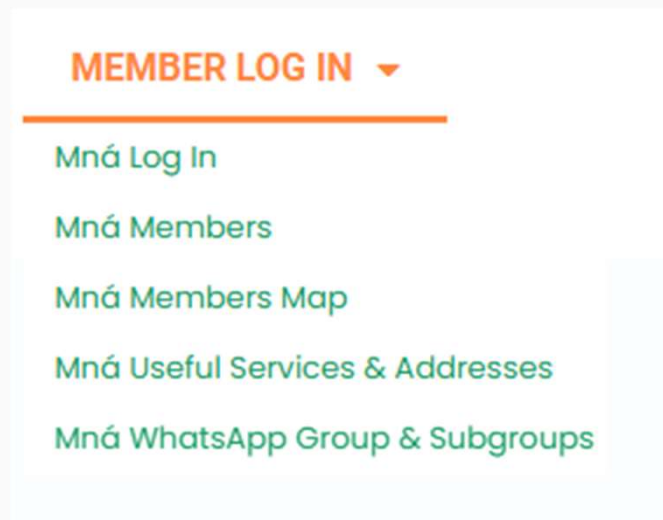

Everyone, friends, etc.

6. Invite friends

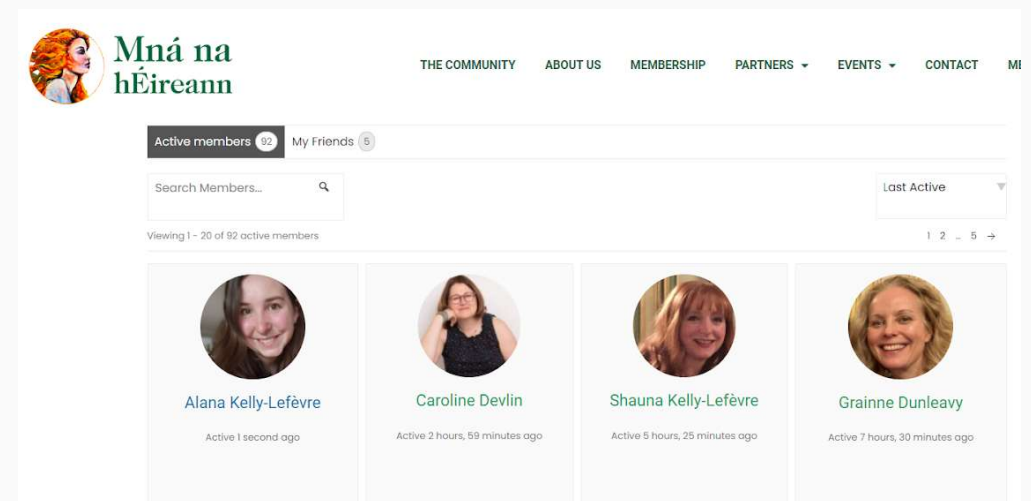

that you see or want to reach out to

First of all, access your profile

- Once logged in, go to the members list

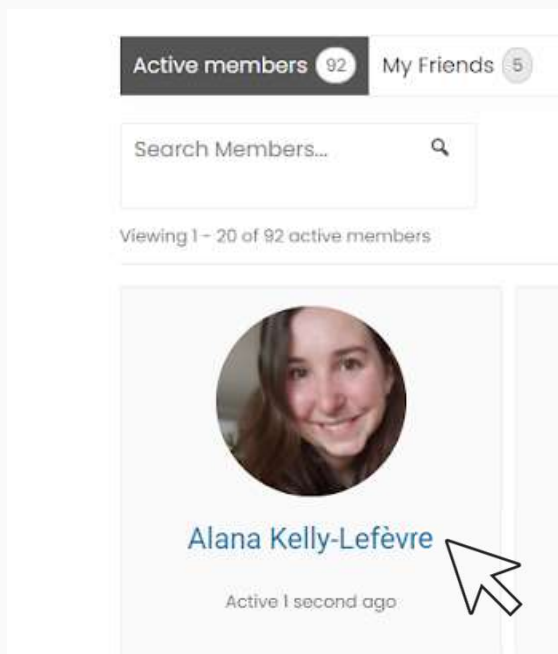

- In the members list, you will see Who's Who

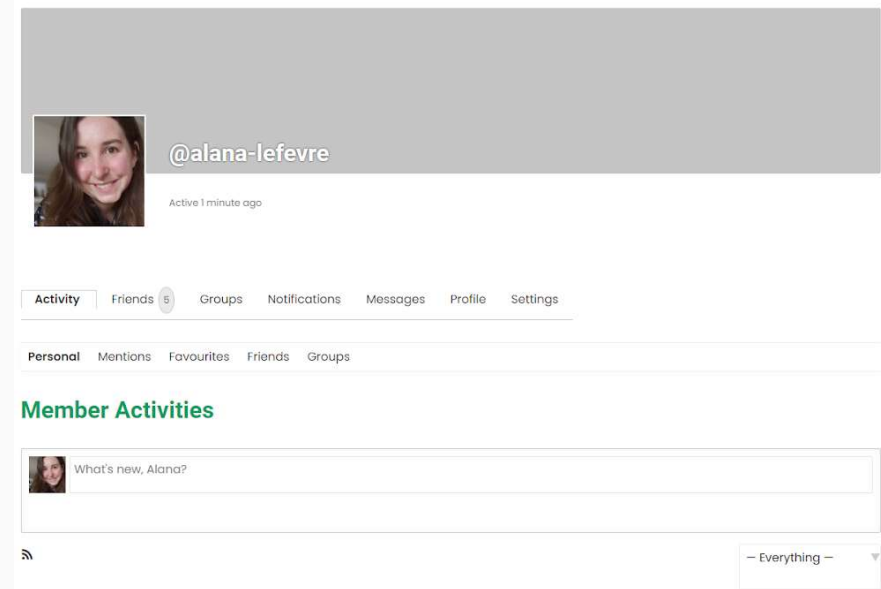

The “Mná Who’s Who”

Easy, just click on your photo to go back a step whenever you need or to refresh page

- Click on your name

- And you will arrive on your profile page

1. Upload your profile picture

Most people recognize a face easier than a name

- Click on "Profile"

- Upload a photo from your phone/laptop/pc/device or take one if your camera is activated

2. Upload a background picture

This could be something that resonates with you like a place, a monument, a logo, a flag, etc.

- Click on "Profile"

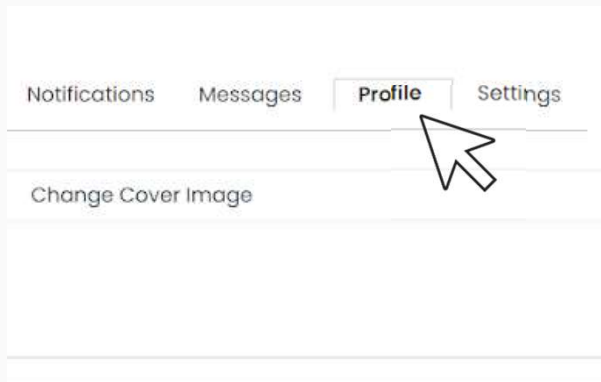

- Upload a photo from your phone/laptop/pc/device or take one if your camera is activated

3. Add your details

City of origin,
residence,
short self
introduction, etc.

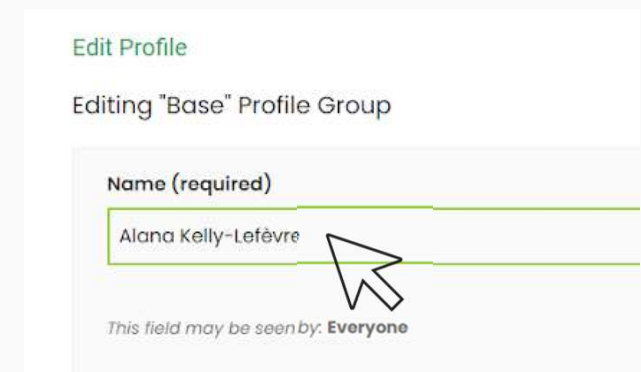

- Click on "Profile"

- Click on „Edit"

- Add your information

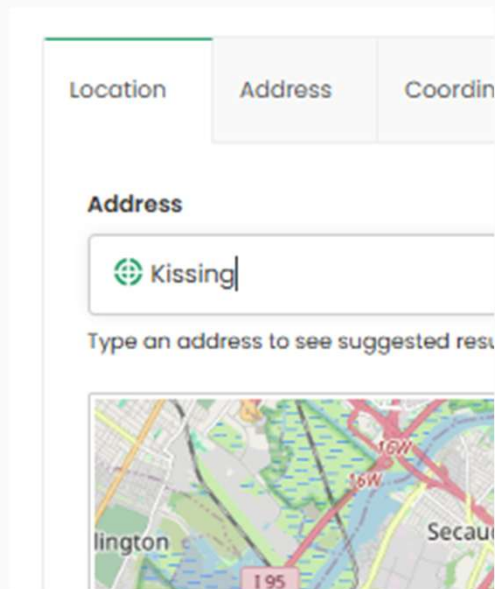

4. Add your location

You can also use the "Address" or "Coordinates" tabs. An entry in one tab will update the others.

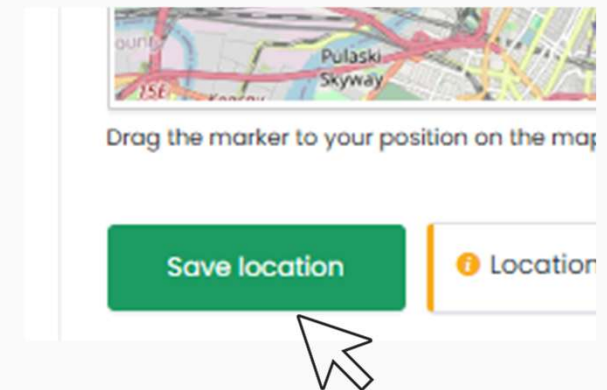

- Click on "Location"

- Type your address or town

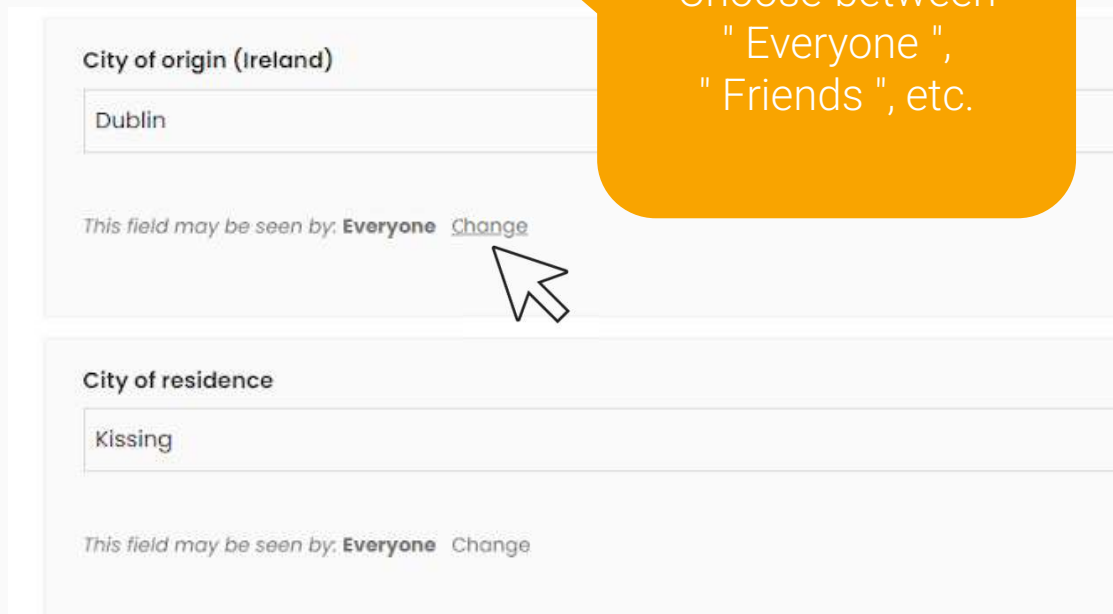

- Click on "Save Location"

5. Choose who should see the information

- Click on " Change "

City of origin (Ireland)

Dublin

This field may be seen by: **Everyone** [Change](#)

City of residence

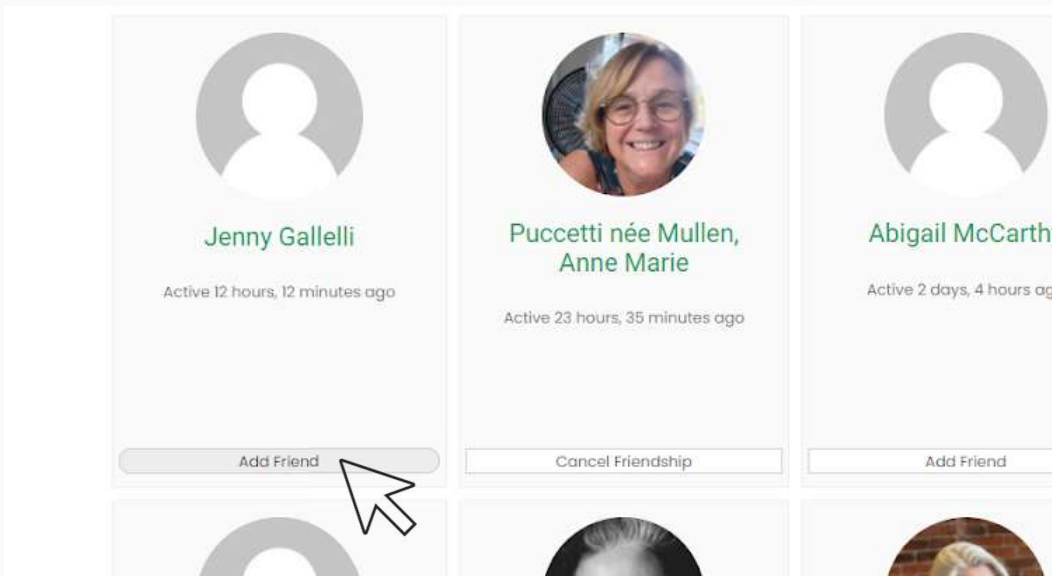

Kissing

This field may be seen by: **Everyone** [Change](#)

Choose between " Everyone ", " Friends ", etc.

6. Invite friends

- Click on " Add Friend " below their name

They'll get a notification when on their account

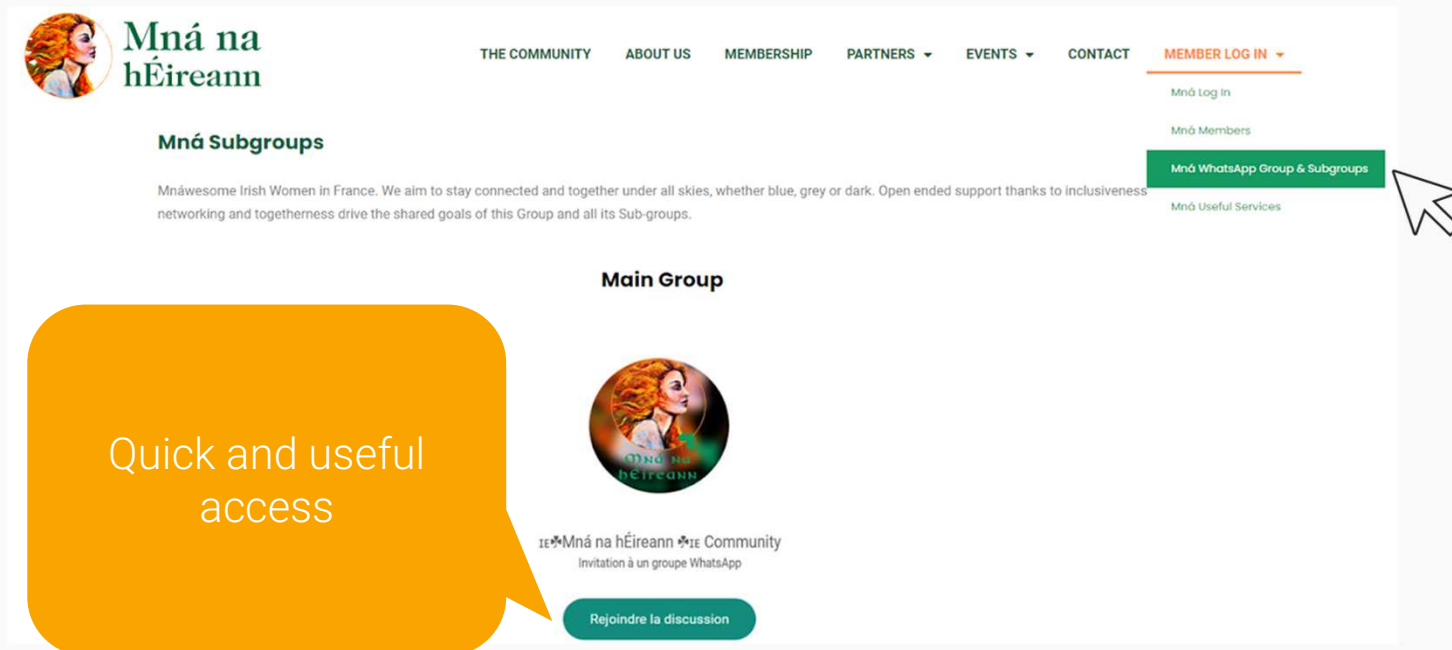

Well done,
your **Mná** profile is ready
